

Pontoon Dock

Issue 09 – May 2018

A development by

linkcity

Welcome to the May issue of the Pontoon Dock development newsletter, looking at the latest progress achieved and upcoming milestones.

Progress to date - Works completed:

- Civil works: Block A: 2nd floor; Block B: 4th floor and Block C: Podium.
- Start of superstructure Block A and back filling behind south retaining wall
- Waterproofing around Block B
- Scaffolding to benchmark flat Block B
- Window installation to benchmark flat Block B

Forthcoming milestones - Tasks starting in June:

- Civil Works: Block A: 4th floor, Block B: 6th floor and Block C: 1st floor
- Externals: Blocks A and B – waterproofing around perimeter of both blocks at podium level to continue
- Scaffolding to Blocks A and B to commence all elevations
- Erection of hoist Block B
- Installation of windows at level 1 and 2 to Blocks A and B

Caring for the environment

We have installed a teabag composting facility in our canteens and a wormery to provide natural fertiliser for our plants.

Events

In April we held the Civil Works Award event barbecue where we recognised and celebrated staff who have excelled in their jobs.

We also had our second visit by the Considerate Constructors Scheme, where we had the opportunity to report on our improvement efforts and commitment to considerate construction.

In the week of 14th May, Bouygues UK participated in the Green Ribbon Campaign; an important movement to raise

awareness of good mental health for all. Our site team supported this campaign by buying and wearing the green ribbon. We now have a personal trainer on site each morning doing a warm-up workout with our workers at the start of the day, making sure they are all fit and ready for work.

On 17th May, students from London Design & Engineering UTC visited our site for the fourth time to help them finalise their project about social space for residents and the community of Pontoon Dock. This was then presented to our site team and our clients Linkcity and Grainger on 22nd May.

Your safety is our concern

Bouygues UK takes every precaution to keep you safe throughout the construction process.

At all times, our site will be secure and surrounded by fencing but building sites can be hazardous places:

- We dig deep holes
- We erect scaffolding
- We use large, noisy machinery

Please do not enter the construction site, unless it is part of a pre-arranged visit by our project team.

- Our operatives and staff are trained to work safely

Please help us to keep you and children safe, and take extra care during the school holidays.

**HEALTH
& SAFETY
A SHARED
COMMITMENT!**

Considerate Constructors Scheme

Bouygues UK firmly supports the aims of the Considerate Constructors Scheme. All of our sites are registered with the Scheme, and regular visits from the Considerate Constructors monitor will help us to ensure that we continue to improve our performance in showing full respect for:

- Appearance
- Community
- Environment
- Safety
- Workforce

Please let us know if you have any concerns.

Our contact details are on the newsletter that you should regularly receive or on the site hoardings.

If you would like further information regarding the Scheme you can visit their website at www.ccscheme.org.uk

Wants to speak to us?

For more information about the development, please go to <http://www.pontoondockdevelopment.com/>. In the next few months, we hope to update the website with news of developments in the project. The website also provides details for employment opportunities being created by the project, for those interested.

Standard site working hours are:

Monday to Friday:
8am-6pm

Saturday (if needed):
8am-1pm

There should be no noisy works before 8am.

Communication and Community Liaison

Bouygues UK is committed to working with the local community and keeping clear and open lines of communication throughout the construction phase. We have appointed **Suzi Mattos** as our resident liaison officer. Please do write to us should you have any questions or concerns.

Your contacts

Left: **Ghassan Ali** – Project Manager
