

# Pontoon Dock

Issue 16 – December 2018

A development by  
**linkcity**

Welcome to the December issue of the Pontoon Dock development newsletter, looking at the latest progress achieved and upcoming milestones.

## Christmas closure

The site will be closed from 22<sup>nd</sup> December 2018 to 2<sup>nd</sup> January 2019.

## Progress to date – Works completed

**Civil works:** Block A completed, Block B at 12<sup>th</sup> floor slab, Block C at 12<sup>th</sup> floor walls.

**Facades:** Brickwork façade in Block A and Block B at level 7, Block C at level 3. Installation of windows Block A at level 11, Block B at level 7, Block C at level 6.

**Internals:** Flats fit-out in Block A level 1 to 8, Block B and C level 1 to 6 on-going.

## Forthcoming milestones - Tasks starting in December

**Civil works:** Block B and C: 13<sup>th</sup> floor slab and walls.

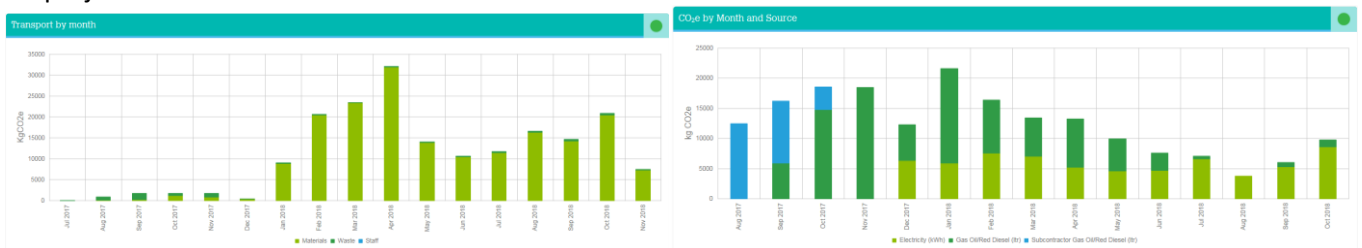

**Façades:** Brickwork Block A and B level 7 to 9, Block C levels 3 to 5. Completion of windows Block A.

**Internals:** Block A up to level 12, Block B and C up to level 8. Start install of the lifts.

**Externals:** Drainage works North-East corner

## Caring for the environment

At Pontoon Dock, we care about our impact on the environment and specifically our carbon footprint. We are closely monitoring this through our online tool SmartWaste which allows us to track our carbon emissions from the start of the project.

## Events

The team welcomed students from the University of East London twice this month.

The purpose of each visit was to help them better understand the construction industry by showcasing a real-world example.

# Your safety is our concern

Bouygues UK takes every precaution to keep you safe throughout the construction process.

At all times, our site will be secure and surrounded by fencing but building sites can be hazardous places:

- We dig deep holes
- We erect scaffolding
- We use large, noisy machinery

**Please do not enter the construction site, unless it is part of a pre-arranged visit by our project team.**

- Our operatives and staff are trained to work safely

Please help us to keep you and children safe, and take extra care during the school holidays.

**HEALTH  
& SAFETY  
A SHARED  
COMMITMENT!**

## Considerate Constructors Scheme

Bouygues UK firmly supports the aims of the Considerate Constructors Scheme. All of our sites are registered with the Scheme, and regular visits from the Considerate Constructors monitor will help us to ensure that we continue to improve our performance in showing full respect for:

- Appearance
- Community
- Environment
- Safety
- Workforce

Please let us know if you have any concerns.

Our contact details are on the newsletter that you should regularly receive or on the site hoardings.

If you would like further information regarding the Scheme you can visit their website at [www.ccscheme.org.uk](http://www.ccscheme.org.uk)

### Wants to speak to us?

For more information about the development, please go to <http://www.pontoondockdevelopment.com/>. In the next few months, we hope to update the website with news of developments in the project. The website also provides details for employment opportunities being created by the project, for those interested.

### Standard site working hours are:

Monday to Friday:  
7.30am-6pm

Saturday (if needed):  
8am-1pm

There should be no noisy works before 8am.

### Communication and Community Liaison

Bouygues UK is committed to working with the local community and keeping clear and open lines of communication throughout the construction phase. We have appointed **Myra Carino** as our resident liaison officer. Please do write to us should you have any questions or concerns.
