

Pontoon Dock

Issue 19 – March 2019

A development by

linkcity

Welcome to the March issue of the Pontoon Dock development newsletter, looking at the latest progress achieved and upcoming milestones.

Significant Event

The electrical substations of the project will be connected to the electrical network in March. During this operation, from 9th March to 23rd March, a generator will be used to power the construction site. The generator will be fitted with acoustic barriers and the noise level will be monitored to prevent disturbance.

Progress to date – Works completed

Civil works: Completed

Envelope: Brickwork façade completed up to level 13. Installation of windows in Block B completed, Block C at level 11

Internals: Apartments fitted out in Blocks A, B & C levels 1 to 14 ongoing

Externals: Gas connection off-site completed

Forthcoming milestones – Tasks starting in March

Envelope: Completion of installation of windows. Brickwork completion on Block A. Start dismantling scaffolding and installation of balconies. Waterproofing roofs on Blocks B and C

Internals: Connect power to the apartments. Start fit-out of corridors

Externals: Water supply connection off-site

Community Events

On 21st February students from UCL visited our site.

On 19th and 22nd March we will host an 'Open Doors' event on site as part of Build UK's national campaign. This day provides a unique chance for you to see behind the scenes at a major 'live' construction site and find out more about the diverse range of skills and professions needed on site. Each session will take around one hour and includes a project presentation and site tour. You can choose from time slots on 19th at 2pm or on 22nd at either 10am or 2pm.

Booking is required by 8th March via the website: <https://opendoors.construction/site/137>

Your safety is our concern

Bouygues UK takes every precaution to keep you safe throughout the construction process.

At all times, our site will be secure and surrounded by fencing but building sites can be hazardous places:

- We dig deep holes
- We erect scaffolding
- We use large, noisy machinery

Please do not enter the construction site, unless it is part of a pre-arranged visit by our project team.

- Our operatives and staff are trained to work safely

Please help us to keep you and children safe, and take extra care during the school holidays.

**HEALTH
& SAFETY
A SHARED
COMMITMENT!**

Considerate Constructors Scheme

Bouygues UK firmly supports the aims of the Considerate Constructors Scheme. All of our sites are registered with the Scheme, and regular visits from the Considerate Constructors monitor will help us to ensure that we continue to improve our performance in showing full respect for:

- Appearance
- Community
- Environment
- Safety
- Workforce

Please let us know if you have any concerns.

Our contact details are on the newsletter that you should regularly receive or on the site hoardings.

If you would like further information regarding the Scheme you can visit their website at www.ccscheme.org.uk

Want to speak to us?

Standard site working hours are:

Monday to Friday:
7.30am-6pm

Saturday (if needed):
8am-1pm

There should be no noisy works before 8am.

For more information about the development, please go to <http://www.pontoondockdevelopment.com/>. In the next few months, we hope to update the website with news of developments in the project. The website also provides details for employment opportunities being created by the project, for those interested.

Communication and Community Liaison

Bouygues UK is committed to working with the local community and keeping clear and open lines of communication throughout the construction phase. We have appointed **Myra Carino** as our resident liaison officer. Please do write to us should you have any questions or concerns.
