

# Pontoon Dock

Issue 26 – October 2019

A development by

linkcity

Welcome to the October issue of the Pontoon Dock development newsletter, looking at the latest progress achieved and upcoming milestones.

## Significant events

Gate 2 (east side) will be used for access and egress of vehicles from October as landscape works are ongoing in front of Gate 1, with vehicle reversing inside the site boundary.

Works below DLR station will start in October: site hoarding will be moved to allow completion of paving works and fountain plantroom cladding.

## Progress to date – Works completed

**Internals:** Handover of flats to the client - ongoing.

**Externals:** Upstands/retaining walls on the podium - completed. Landscape works between the DLR station and the buildings - started.

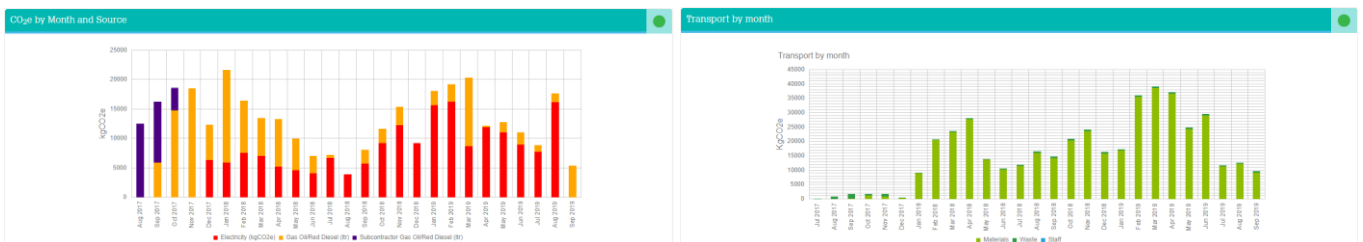

## Upcoming milestones – Tasks starting in October

**Internals:** Entrance block B&C and amenity space fit-out.

**Externals:** Start paving works on the northern side of the project. Start soft landscaping works. Construction of the attenuation tank and ramp between block A & B.

## Caring for the environment

At Pontoon Dock, we care about our impact on the environment and, specifically, our carbon footprint. We are closely monitoring this through our online tool, SmartWaste, which allows us to track our carbon emissions from the start of the project.

# Your safety is our concern

Bouygues UK takes every precaution to keep you safe throughout the construction process.

At all times, our site will be secure and surrounded by fencing but building sites can be hazardous places:

- We dig deep holes
- We erect scaffolding
- We use large, noisy machinery

**Please do not enter the construction site, unless it is part of a pre-arranged visit by our project team.**

- Our operatives and staff are trained to work safely

Please help us to keep you and children safe, and take extra care during the school holidays.

**HEALTH  
& SAFETY  
A SHARED  
COMMITMENT!**

## Considerate Constructors Scheme

Bouygues UK firmly supports the aims of the Considerate Constructors Scheme. All of our sites are registered with the Scheme, and regular visits from the Considerate Constructors monitor will help us to ensure that we continue to improve our performance in showing full respect for:

- Appearance
- Community
- Environment
- Safety
- Workforce

Please let us know if you have any concerns.

Our contact details are on the newsletter that you should regularly receive or on the site hoardings.

If you would like further information regarding the Scheme you can visit their website at [www.ccscheme.org.uk](http://www.ccscheme.org.uk)

### Want to speak to us?

### Standard site working hours are:

Monday to Friday:  
7.30am-6pm

Saturday (if needed):  
8am-1pm

There should be no noisy works before 8am.

For more information about the development, please go to <http://www.pontoondockdevelopment.com/>. In the next few months, we hope to update the website with news of developments in the project. The website also provides details for employment opportunities being created by the project, for those interested.

### Communication and Community Liaison

Bouygues UK is committed to working with the local community and keeping clear and open lines of communication throughout the construction phase. We have appointed **Myra Carino** as our resident liaison officer. Please do write to us should you have any questions or concerns.
